# THE LOCATION

The Dalesbridge is ideally located in the Three Peaks area of the Yorkshire Dales & close to the Forest of Bowland.

The Yorkshire Dales is a Duke of Edinburgh "Wild Country" location. There are many approved Bronze, Silver and Gold expedition walking routes used by groups over the years, right to the door of The Dalesbridge.

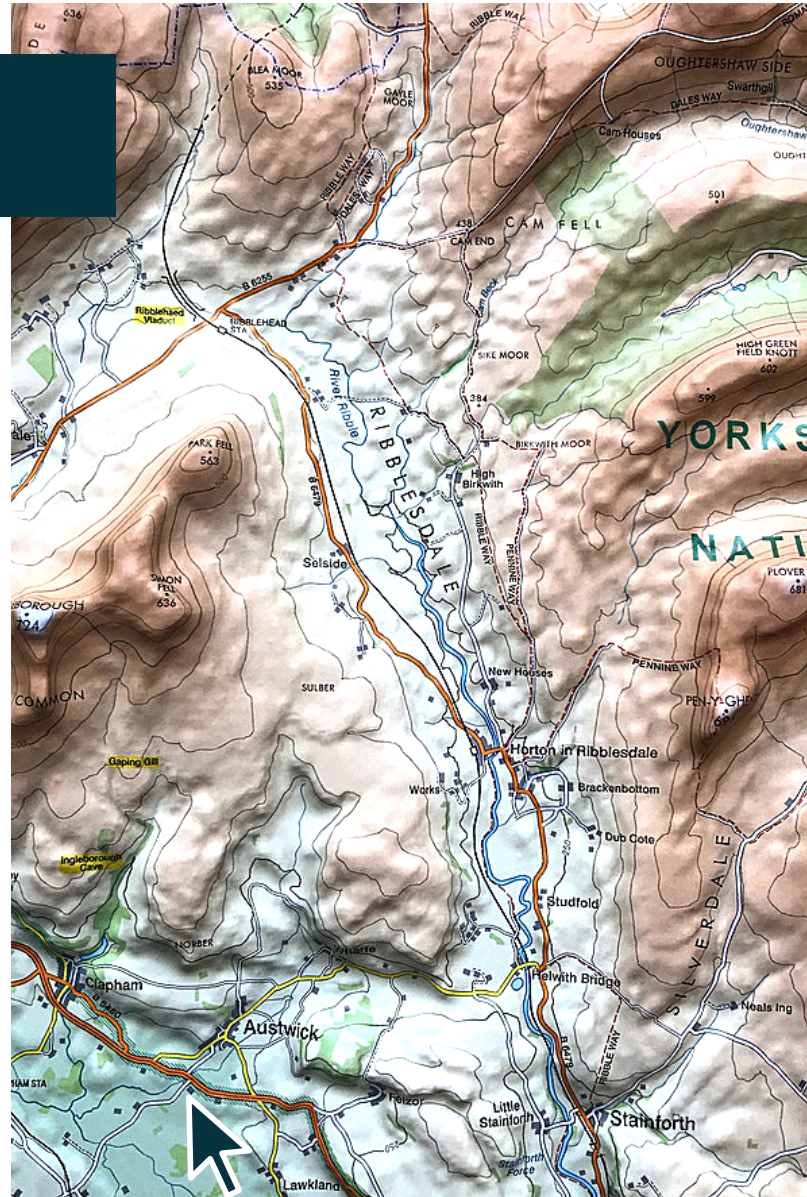

In addition to the incredible limestone hiking routes, there are exceptional locations for:

Hiking

Caving

Climbing

.....and many more outdoor excursions possible from The Dalesbridge.

# THE FACILITIES

## Bunk Bed Cabins

The Dalesbridge has 8 connected bunk bed cabins that can sleep 40 individuals in total. The six bed cabins have inter connecting doors between them. Each cabin is en-suite and fully heated with plentiful instant hot water. There are kitchen and seating areas in each cabin.

The bunk bed cabins are popular with DofE groups, all weather group excursions and teacher supervision accommodation.

## Camping

The Dalesbridge site is spread over 10 acres with 3 separate, level and well drained camping fields that accommodate over 160+ camping pitches and 26+ electric hook up points . We can dedicate areas to groups and organisations allowing us the space to create the experience that is right for you, not only for camping but for other events you may wish or run on site.

There are ample shower and toilet facilities, a drying toom for wet kit and tents along with additional kitchen/washup facilities to utilise whilst on site.

# THE FACILITIES

## Classroom & Training Rooms

The Dalesbridge has 3 large outdoors friendly conference rooms that can be hired as classroom, training and catering spaces as required. We also have several beautiful outdoor spaces that can be used for catering and gatherings.

## Catering

With a fully functioning commercial kitchen on site, we are able to provide meals and catering for large groups and schools, including catering for those with specific dietary requirements.

## Activity & Instructor Coordination

We can provide coordination and facilitation to some of the most qualified and professional outdoors instructors in the region. This can be organising a caving trip, climbing lessons or even connections for full DofE excursion assessments and supervision, we are here to help.
